

Natural/Environmental/Human Hazards and Threats											
Type of Hazard or Threat:	Frequency (years):					Population Impact:			Property Impact:		
	5	10	20	50	100	Low	Med	High	Low	Med	High
Aircraft Accident (community airport)											
Aircraft Accident (international airport)											
Animal Control (domestic animal)											
Animal Control (poisonous animal)											
Animal Control (wild animal)											
Arson (residential)											
Arson (commercial / industrial)											
Avalanche											
Biological (chemical)											
Biological (viral)											
Bridge Failure / Collapse											
Building Failure / Collapse											
Burglary or Break-in											
Carbon Dioxide											
Carbon Monoxide											
Cave-in											
Chemical (blister agent)											
Chemical (nerve agent)											
Civil Disorder											
Coastal Storm											
Dam/Levee Failure / Collapse											
Drought											
Earthquake (< 5)											
Earthquake (> 5)											
Earthquake (> 6)											
Earthquake (> 7)											
Earthquake (> 8)											
Earthquake (> 9)											
Emergency Services (fire)											
Emergency Services (hospital)											
Emergency Services (other)											
Emergency Services (police)											
Emergency Services (rescue)											
Erosion											

Type of Hazard or Threat:	Frequency (years):					Population Impact:			Property Impact:		
	5	10	20	50	100	Low	Med	High	Low	Med	High
Evacuation (> 50 miles)											
Extreme Heat											
Fire (commercial building)											
Fire (industrial building)											
Fire (private housing)											
Fire (public housing / apartment)											
Fire (urban / conflagration)											
Flooding (heavy rain)											
Flooding (ice jam)											
Flooding (rapid snow melt)											
Freezing Rain (> 1/2 inch accumulation)											
Freezing Rain (> 1 inch accumulation)											
Hail (> 1/2 inch diameter)											
Hail (> 1 inch diameter)											
HAZMAT (fixed facility)											
HAZMAT (household products)											
HAZMAT (other)											
HAZMAT (transportation)											
Hurricane (Category 1)											
Hurricane (Category 2)											
Hurricane (Category 3)											
Hurricane (Category 4)											
Hurricane (Category 5)											
Insect Swarm											
Kidnapping (adult)											
Kidnapping (child)											
Landslide (earthquake induced)											
Landslide (rain induced)											
Lighting											
Liquid / Fluid Leakage											
Military (facility)											
Military (other)											
Military (test range)											
Military (training)											
Military (transportation)											

Type of Hazard or Threat:	Frequency (years):					Population Impact:			Property Impact:		
	5	10	20	50	100	Low	Med	High	Low	Med	High
Mining / Quarry											
Nuclear (fixed facility)											
Nuclear (other)											
Nuclear (transportation)											
Radiological (fixed facility)											
Radiological (other)											
Radiological (transportation)											
Radon											
Severe Storm											
Sleet (> 1/2 inch accumulation)											
Sleet (> 1 inch accumulation)											
Subsidence (sinkhole)											
Terrorism (hijacking)											
Terrorism (kidnapping)											
Thunderstorm (microburst)											
Tornado (F1)											
Tornado (F2)											
Tornado (F3)											
Tornado (F4)											
Tornado (F5)											
Transportation (air)											
Transportation (city roads)											
Transportation (county roads)											
Transportation (interstate)											
Transportation (maritime)											
Transportation (other)											
Transportation (primary highway)											
Transportation (railroad)											
Tropical Storm											
Tsunami / Tidal Wave											
Tunnel Failure / Collapse											
Utility Interruption (communication-cable TV)											
Utility Interruption (communication-cellular phone)											
Utility Interruption (communication-pager)											
Utility Interruption (communication-PDA)											

Type of Hazard or Threat:	Frequency (years):					Population Impact:			Property Impact:		
	5	10	20	50	100	Low	Med	High	Low	Med	High
Utility Interruption (communication-satellite phone)											
Utility Interruption (communication-satellite TV)											
Utility Interruption (communication-telephone)											
Utility Interruption (electricity)											
Utility Interruption (heating fuel oil)											
Utility Interruption (HVAC)											
Utility Interruption (natural gas)											
Utility Interruption (other)											
Utility Interruption (propane)											
Utility Interruption (sewer and water)											
Utility Interruption (vehicular fuel oil)											
Volcanic Ash											
Volcanic Explosion											
Wildland Fire (private land)											
Wildland Fire (public land)											
Wildland Fire (urban interface)											
Wind (> 50 mph)											
Wind (> 100 mph)											
Winter Storm (extreme cold)											
Winter Storm (ice)											
Winter Storm (snow)											

< = less than

> = greater than

Earthquake = Richter scale

Hurricane = Saffir-Simpson scale

Tornado = Enhanced Fujita scale
